STOP THE SPREAD FOR LOUISIANA

TAKE THESE SIMPLE ACTIONS EVERY DAY TO HELP PREVENT THE SPREAD OF RESPIRATORY VIRUSES.

Mask Up: Wear a mask or face covering whenever you are in public.

Keep Your Distance:

Don't go out unless necessary and stay at least 6 feet away from other people.

Wash Your Hands:

Wash often with soap and water for at least 20 seconds.

Keep Clean:

Clean and disinfect objects and surfaces regularly.

Use Hand Sanitizer:

In addition to properly washing hands, use hand sanitizer that contains at least 60% alcohol.

Stay Home: Limit your trips outside of your home as much as possible.

Cover Up: Cover your cough or sneeze into your elbow or a tissue.

Don't Touch Your

Face: Don't touch eyes, nose or mouth with unclean hands.
